

Announcement of Walailak University Support Regarding Publication and Language Editing Fees

Walailak University aims to emphasize the importance of research publication by supporting the dissemination of full research articles and reviews as well as to encourage the researchers to create high quality articles serving both national and international higher education communities. Accordingly, the program offers financial support for publication fees and language editing fees. The details are as follows.

1. **Eligibility criteria:** The applicant has to be an employee of Walailak University as well as a corresponding author of the proposed research, as stated in the official reprint from the journal.
2. **Publication support specifications:** The article, e.g., a research article or a review, proposed for publication support must be submitted during the applicant's period as an employee of Walailak University, and neither a part nor the whole of the thesis pursuant to the applicant's course of study. In addition, the article has to be accepted by an international journal included in either the Scopus or Web of Science (ISI) database. The publication support covers:
 - 2.1. Publication fees (e.g., page charge) charged by a journal included in the Scopus or Web of Science database.
 - 2.1.1. Quartile 1: actual expense, but not exceeding 20,000 baht.
 - 2.1.2. Quartile 2: actual expense, but not exceeding 10,000 baht.
 - 2.1.3. Quartile 3-4: actual expense, but not exceeding 6,000 baht.

2.2. Language editing fees will be paid according to the actual expense, but not more than 10,000 baht, on the condition that the article must be accepted by an international journal in the Scopus or Web of Science database and edited by one of the following approved services: Elsevier Language Editing (<http://webshop.elsevier.com/languageservices/languageediting>), American Journal Experts (<https://www.aje.com/>), Nature Research Editing Service (<https://authorservices.springernature.com/language-editing>), <http://www.editage.com/>, <http://www.scienceeditorium.com/free-proofreading-and-editing-for-all-clients>, www.aclang.com, www.besteditproof.com, or other editors offered by journals included in Scopus, Web of Science, or a language institute of a university. In this respect, the applicant must attach an email or a website of either the journal or the institute as evidence.

However, the publication support listed in 2.1 and 2.2 can only be applied to articles issued from 7 November 2019 onwards.

3. **Request for financial support:** The corresponding author must attach the following documents together with completed forms provided by the Institute of Research and Innovation (IRI) and the Research Institute for Health Sciences (RIHS).

3.1. Two copies of the original article (reprint)

3.2. A publication acceptance email or letter

3.3. Receipts for publication support services

The application will be approved by the Vice President for Research and Social Services.

Announced on 29 November 2020.
